HWRD Skills Quiz

10 points out of 10

100%

(OPTIONAL) What is your email?

According to "Impact Penalties" on the game management page under HWRD-Resources, what are the reasons to call a penalty?

Correct

- a) To keep the game fair.
- b) To make everyone remember who is in charge.
- c) To keep the game safe.
- d) To make half the arena angry.
- e) All of the above.
- f) a & c only.

According to "Endzone Positioning" (Found in the HWRD Resources-Positioning, section of wpgrefs.com), what is the best description of how the referee should use "below the goal-line"?

Correct

- As much as at-the-net, half-piston, home-base.
- More than at-the-net, half-piston, home-base.
- Whenever needed to get out of the way.
- Whenever needed to get out of the way, but get back to at-the-net, half-piston, home-base as soon as possible.

According to "How to write a game report" (Found in the top right corner of wpgrefs.com) there are three parts to your incident report, what information should be included in the "end" section?

Correct

- a) Information about your observations of the game that may have lead to the incident.
- b) Information describing the incident.
- c) Information explaining the penalty

called and why that penalty was called.

d) All of the above

Which best describes the motion of an official's arms when she is skating? (At the 28 second point of "How to Skate Like a Referee" Video in HWRD Resources-Professional Skills of wpgrefs.com)

Correct

Swinging the arms across the body

Arms move as though the official is "pulling the rope" up the ice.

Have the whistle near the mouth in case of a need to quickly stop play.

Arms at the sides, as little movement as possible to conserve energy.

When entering a fight, what part of the player's body do you want to control? (Fight Management: Breaking up a fight in HWRD Resources-Procedures).

Correct

a) Legs to stop her from moving.

b) Wrap up the arms to prevent the player from punching you or the other player.

c) Torso to push the player back.

d) Does not matter so long as you enter at the same time as your partner

In the two official system, a penalty occurs in the attacking zone. Which official is allowed to call the penalty? (this is not clearly written anywhere, but page 4-6 of the HCOP manual (HWRD Resources Page) has a note that implies the best answer) .

Correct

a) The official in the attacking zone. The official at the blue line is responsible only for offsidess or icings.

b) either official can call any penalty anywhere on the ice at any time; officials work as a team to call penalties in the two-official system.

c) The official at the blue line as she has a wider angle of view to the play

Three-Official System game. The puck is leaving Team A's zone. The linesperson

who was on that line is linesperson A. Linesperson B is already getting in position at the other blue line. As the back linesperson, what is the determining factor for linesperson A to leave his line and proceed up the ice to the other blue line? (Page 5-12 in the HCOP manual on the HWRD Resources Home Page)

Correct

- a) there is no factor...just go as soon as possible.
- b) linesperson A should leave his blue line when all the team B attacking players have left team A's zone and there are no issues between players
- c) as soon as linesperson A knows the puck is not coming back to Team A's zone

The officials have had to physically restrain a player because he was a danger to another player. When should the official physically let that player go? (HCOP 4-5)

Correct

- Once the player is at the penalty box.
- As soon as the player has separated from the other player, then go on and deal with something else.
- As soon as the player has separated from the other player, but the official should maintain body position with the guilty player on the way to the box.
- Whenever. There is not a specific time.

For a line change procedure...the official in the Two-Official System (or liner in the Three-Official System) who is dropping the puck should blow his whistle... (HWRD Resources, HCOP 3-3)

Correct

- Before the official (referee in the Three-Official System) conducting the line change raises his arm.
- Before the visiting team starts to change.
- Immediately after the official (referee) conducting the line change drops his arm.
- 5 seconds after the official (referee) conducting the line change drops his arm.

According to "Blue Line Positioning" in

the position section (in HWRD Resources), where should the linesperson position her skates when the puck is in the neutral zone and coming towards her end?

Correct

- 20 to 30 centimeters inside the blue line so that she is inside the attacking zone
- 20 to 30 centimeters outside the blue line so that her skates are in the neutral zone
- On the blue line
- Near the top of the endzone circle.
- At the redline.
