(OPTIONAL) What is your email?

True or False. Regarding harassment of officials, the referee is required to assess a minor penalty before assessing a misconduct or game misconduct penalty. (Rule 11.1a)

Correct

- True, the player or coach has a right to receive a lesser penalty before a more severe penalty.
- False, the referee may assess which ever penalty is deemed fit. ✓
- False, the referee must give a verbal warning before assessing whatever penalty is appropriate for the second incident of maltreatment

A player on a breakaway in the neutral or attacking zone is fouled from behind and the referee signals a penalty shot. Before the play is completed a second infraction is signalled against the same team, whether it be to the same player or a different player. The penalty shot is assessed for the first infraction (i.e. the foul from behind). Is the penalty for the second infraction still assessed? (Interpretation 2, Rule 4.11)

Correct

- Yes, if there is no goal scored on the penalty shot.
- Yes. The second penalty is always assessed regardless of whether a goal is scored on the penalty shot. ✓
- No. The second penalty is not assessed because it happened after the penalty shot infraction.

A player skates backwards over the blue line with the puck; that player's skates clearly enter the zone before the puck does. Is the player offside? (Rule 6.12c-i)

Correct

- The puck carrier is not offside as he had possession and control of the puck

possession and control of the puck.

- The puck carrier is offside as the skates entered the zone prior to the puck.
- The puck carrier is not offside as he had possession and control of the puck. However, a teammate may be offside if that teammate enters the attacking zone before the puck.

The goaltender is facing a penalty shot. She accidentally leaves her crease before the player taking the shot touches the puck. State the referee's decision. (Rule 4.11b-v, Interpretation 8)

Correct

- a) Stop penalty shot immediately and restart penalty shot.
- b) Allow penalty shot to finish, redo the penalty shot if a goal is not scored. If a goal is scored then the goal counts and the penalty shot is not retaken.
- c) Let the shot finish then redo the penalty shot whether the goal is scored or not.

At a stoppage of play, A14 pushes B87 who then pushes back. What penalties should be assessed? (Interpretation 1, Rule 7.9)

Correct

- Assess only A14 a penalty for "Roughing after the whistle." (Team A kills a penalty)
- Assess only B87 a penalty for "Roughing after the whistle." (Team B kills a penalty)
- Assess both players a penalty for "Roughing after the whistle." (No one kills a penalty)
- Tell both players to stop, so long as neither continues then there is no penalty.

True or False, timeouts are allowed in AAA hockey only (Hockey Winnipeg SR19)

Correct

- True, but all levels have timeouts for playoffs.
- False, AA also has timeouts but A hockey only has timeouts in playoffs.
- False, all levels have timeouts in the regular season and playoffs except for U9.

True, AAA is the only level with timeouts ever.

Team A shoots the puck from their defending zone down the ice. The puck deflects off a team B player then deflects off a team A player prior to crossing the red-line. The puck then crosses the goal line potentially meeting all criteria for icing. Is this icing or not? (Rule 6.7 Interpretation 6)

Correct

Icing. The last player to touch the puck was team A on team A's side of the ice.

Not icing. Team A can not be held responsible for the puck striking a team B player on the team A side of the ice.

Team B has 1:42 left in a penalty when they are assessed a penalty shot against them. Team A scores. Does the goal on the penalty shot cancel the penalty with 1:42 left? (Rule 4.11, Interpretation 10)

Correct

Only if there is less than 1 minute left in the penalty.

Yes, the penalty shot goal cancels the penalty as well.

No. The goal was not scored on the power play. It was scored on a penalty shot.

Only if it is a minor penalty. If the 1:42 is a major then the goal does not cancel it.

At the same stoppage A3 is assessed a 5+GM (served by A4) and A6 is assessed a minor penalty. During the 5:3 power play, B55 scores a goal. Who, if anyone, gets out of the penalty box? (Rule 4.4, Interpretation 1, Note 1)

Correct

No one.

Both A4 and A6 get back on the ice.

A6 only

A4 only

Two misconduct penalties in the same game result in...(Rule 4.7c)

Correct

A game ejection.

A gross misconduct.

A game misconduct.

A minor penalty.
